Senior Tournament Rules

1. This tournament will consist of Teams (4 person), Doubles, Singles and All-Events events. These events will be treated as separate events and bowled on separate squads. This tournament is open to all sanctioned Alabama USBC Association members who were 50 years of age as of August 1st.
2. The tournament has an Open Division and a Women's Division. Men bowl in the Open Division. Women may bowl in the Women's Division or the Open Division or they may bowl in both. Women will be put in the Women's Division unless they declare otherwise. If a woman bowls with a man in doubles, that will be considered an Open Division entry. Scores bowled in the Open Division by a woman do not count towards Women's Division All-Events or any other Women's event.
3. Divisions: Singles and All-Events will be subdivided into 6 age groups for Women and 6 age groups for Open Division as shown on front of the entry form. The division will be determined by your age as of August 1st of the current year.
4. Multiple participation is permitted in Teams and Doubles events only. The first time bowled in Doubles will count towards All-Events. Multiple Doubles entrants may bowl only one time with the same partner in the Open Division and Women's Division. Team event does not count towards All-Events. Team event may be any combination of male and female bowlers. When bowling multiple teams, must change 2 members of each team.
5. Champions of Handicap All-Events in ALL divisions shall win a paid entry into the National Senior Tournament. In case of tie(s) the following method in determining the representative for the entry to the National Tournament shall apply: (1) High scratch series in Singles, (2) High scratch series in Doubles, (3) toss a coin. Should the champion be unable or not wish to attend the tournament, the right will go to the next bowler in the standings. Each bowler that participates in the National Tournament will receive paid entry, a shirt and \$150.00 expense money.
6. AVERAGES: Bowlers will use their highest certified league average consisting of at least twenty-one (21) or more games for the 2023-24 winter or summer season. The 10-pin rule of 319a (2) is waived.
 - a. A bowler without an average during the 2023-24 winter or summer season may use the highest current season average based on at least twenty-one (21) or more games bowled in a certified league as of October 12, 2024. Written verification is required. Copy of league standing sheet is acceptable.
 - b. A bowler who does not qualify under the above conditions must enter with an average of 220.
 - c. All bowlers will be required to verify and initial their submitted averages as correct prior to the end of the first game bowled. It is each bowler's responsibility to determine that the submitted average is correct. Failure to use the proper average shall disqualify score if the submitted average is lower than the actual average thereby resulting in more handicap or position standings will be based on submitted average if it is higher.
 - d. Average corrections can be made up to the end of the first game of a series. Or, if an extension of time has been granted in writing by tournament management before the end of the first game of a series, the correction can be made within 48 hours after the end of the series.
